CARTE POSTALE.

York. Precentor's Yard. York Minster, the cathedral church of St. Peter, which dominates the ancient city, is one of the largest and most magnificent churches in Europe. In 626 St. Paulinus built a small oratory of wood on this site and baptised on the 12th April, 627, Edwin, the Saxon King of Northumbria, with his two sons. The present building dates chiefly from the 12th, 13th and 14th centuries, and the magnificent west front, shown in the picture, with its gigantic window and noble towers is world-famous.
